

LET'S LEARN

Welcome to the *Let's Learn Japanese* Picture Dictionary!

Here's an exciting way for you to learn more than 1,500 words that will help you speak about many of your favorite subjects. With these words, you will be able to talk about your house, sports, outer space, the ocean, and many more subjects.

This dictionary is fun to use. On each page, you will see drawings with the words that describe them underneath. These drawings are usually part of a large, colorful scene. See if you can find all the words in the big scene! You will enjoy looking at the pictures more and more as you learn new words.

At the back of the book, you will find a Japanese-English Glossary and Index and an English-Japanese Glossary and Index, where you can look up words in alphabetical order, and find out exactly where the words are located in the dictionary.

This is a book you can look at over and over again, and each time you look, you will find something new. You'll be able to talk about people, places, and things you know, and you'll learn lots of new words as you go along!
